

## MILLION DOLLAR ORDER-PRODUCING SALES LETTERS!

This terrific book is a collection of **POWERFUL** order pulling sales letters, which brought in **MILLIONS** of dollars to those who used them. Now they are available for your use and profit. The **money secrets** these letters contain are explained so that **YOU** will fully understand what makes each letter work so **successfully** and learn the million dollar secrets they contain.

The letters are so **DYNAMIC**, so **powerful** that some were used to sell items no one believed could be sold by mail. Yet, **millions** of dollars worth of this merchandise was sold using these letters.

One man brought in over **1,000,000** in orders his first **6 months** in business!

The book tells how one firm used 4 letters to build a **multi-million dollar** company.

Another man on the verge of **bankruptcy** used one of these letters and cleared over **\$200,000** in a few months selling a very common item that was readily available at any retail department store and in **5 years** had made over **2,000,000** with this one letter and one product.

Each letter is written in an **action-compelling** and concise manner, which brought the money pouring in. One letter is so **powerful** so compelling, so dynamic it actually pulled better than **90%** response and bought in over **\$13,000,000**.
